**BILL RE-REFEERED**

On motion of Mr. Parkhouse, by unanimous consent of the House, House Bill No. 737 was withdrawn from the Committee on State Affairs, and referred to the Committee on Privileges, Suffrage, and Elections.

**HOUSE BILL NO. 338 ON SECOND READING**

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 338, A bill to be entitled "An Act to amend Article 955, Chapter 6, Title 13, of the Penal Code of the State of Texas, 1925, as amended by Acts of 1931, Forty-second Legislature, Second Called Session, page 20, Chapter 11, Section 1, prohibiting the sale of fish taken from fresh-water streams of certain named counties, and also providing means and methods of taking and possessing fish from fresh waters of said Counties, and including Blanco County and Kendall County, and declaring an emergency."

The bill was read second time.

Mr. Holekamp offered the following committee amendments to the bill:

(1)

Amend House Bill No. 338 by striking out all below the enacting clause, and insert in lieu thereof the following:

"Section 1. It shall be unlawful for any person to fish for, take, or attempt to catch, any fish in the fresh waters of Kendall County by any means or device other than by ordinary pole and line, set line, throw-line, casting rod and reel, trot-line, or dowagiac, or other artificial bait, or minnow seine of not more than twenty (20) feet in length for catching bait. Possession of any tackle not authorized by this Act, within two hundred (200) yards of any stream, lake, or other fresh waters in Kendall County shall be prima facie evidence of violation of this Act.

"Sec. 2. No person, firm, or corporation, or their agent, shall take, catch, seine, entrap, by any means, or have in their possession any bass, perch, crappie, or catfish taken from any fresh waters of Kendall County during the months of February, March, and April of any year.

"Sec. 3. It shall be unlawful for any person, firm, or corporation, or their agent, to take, catch, seine, entrap, by any means, or to have in their possession any bass of less length than eleven (11) inches; any catfish of less than twelve (12) inches; any crappie or white perch of less length than seven (7) inches, taken from any fresh waters of the County of Kendall.

"Sec. 4. It shall be unlawful for anyone to catch and retain in any one

day, or have in his or her possession, caught in any one day, in the County of Kendall, more than ten (10) bass or catfish.

"Sec. 5. That Acts, 1931, Forty-second Legislature, First Called Session, page 5, Chapter 3, Sections 1, 3, and 4, are hereby in all things amended in so far as Sections 1, 3, and 4 affect Kendall County only.

"Sec. 6. The fact that the present laws tends to exterminate the fish in Kendall County creates an emergency and an imperative public necessity demanding the suspension of the constitutional rule, requiring bills to be read on three several days in each House, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its final passage, and it is so enacted."

(2)

Amend House Bill No. 338 by striking out all above the enacting clause, and insert in lieu thereof the following:

"H. B. No. 338,

#### A BILL

#### To Be Entitled

An Act to amend Acts, 1931, Forty-second Legislature, First Called Session, page 5, Chapter 3, relating to fishing in Gillespie and other Counties, so as to change the tackle that may be lawfully used; the period for the open season; the legal length of certain fish; the number of fish which may be caught in Kendall County, and declaring an emergency."

The amendments were severally adopted.

House Bill No. 338 was then passed to engrossment.

(Speaker in the Chair.)

certain species in said counties; providing a closed season for a period of time when it shall be unlawful to take fresh-water fish; making it unlawful to possess certain species of fish of less length than specified in this Act, and increasing the length of catfish to twelve inches; prescribing a penalty; repealing all laws and parts of laws in conflict with this Act, except the Special Laws, Forty-second Legislature, Regular Session, House Bill No. 610, Chapter 90, page 194, and declaring an emergency."

The bill was read second time.

Mr. Holekamp offered the following committee amendment to the bill:

Amend House Bill No. 339 by striking out all below the enacting clause and insert in lieu thereof the following:

"Sec. 2. It shall be unlawful for any person, firm, corporation, or their agents, to take, catch, seine, entrap, by any means, or have in possession any bass of less length than eleven (11) inches, any catfish of less length than twelve (12) inches, any crappie or white perch of less length than seven (7) inches, taken from any fresh water of the County of Gillespie.

"Sec. 3. It shall be unlawful for anyone to catch and retain in any one day or have in his or her possession, caught in any one day, in the County of Gillespie, more than ten (10) bass or catfish.

"Sec. 4. That Acts, 1931, Forty-second Legislature, First Called Session, page 5, Chapter 3, Section 3 and Section 4, are hereby in all things amended in so far as Sections 3 and 4 affect Gillespie County only.

"Sec. 5. The fact that the present law tends to exterminate the fish in these waters creates an emergency and an imperative public necessity, demanding the suspension of the constitutional rule, requiring that all bills be read on three several days in each House, and said rule is hereby sus-

pended, and this Act shall take effect and be in force from and after its final passage, and it is so enacted."

Amend committee amendment No. 1 to House Bill No. 339, in Section 1, line 4, by changing the word "county" to "counties," and insert after the word "Gillespie" the words "and Mason," and amend the caption to conform.
